

Datasheet

CEDD® Heliport Inset Light (HELI)

General

CEDD® is a smart, safe and sustainable airfield ground lighting technology. Energy and data transport are combined in a single cable. CEDD® airfield lights receive their power and data by means of induction and can therefore easily and safely be installed or replaced without making electrical contact.

With up to 40% lower energy consumption compared to regular LED AGL systems, CEDD® enables airfields to reduce their impact on the environment. Also, the robust design of the infrastructure is highly suitable for floating 'Follow-the-Greens'. CEDD® AGL provides a solution to face the most challenging future operational demands.

Most of the TKH Airport Solutions inset fixtures are available for regular 6.6-A LED AGL as well as for CEDD® AGL installations. This datasheet covers the specifications of the CEDD® Heliport Inset Light (HELI).

Key features

- 8" outer diameter
- Dust and water resistance: IP68
- Useful lamp life (LED) up to 50,000 hours
- Certification: ICAO/EASA
- Power consumption (CEDD® regulated): G: 8 W
- Ambient temperature: -40 °C (-40 °F) / + 75 °C (+167 °F)
- Internal serial interface for diagnostics and parameterization
- Integrated single lamp control
- Intensity control: 0-100%

Photometric data in this datasheet (such as light distributions and chromaticities) is based on ICAO certification. FAA data, if applicable, is available upon request. Contact our sales team for more information.

Colors

- White
- Green

Areas description according to ICAO Annex 14, Volume I, Edition 8, July 2018

Dimensions

8" fixture (omnidirectional)

Pos.	Description	Values
1	Total height	116.6 mm
2	Height LED engine	112 mm
3	Height with flange	93 mm
4	Height below flange	78.7 mm
5	Flange thickness	19 mm
6	Housing bottom width	111 mm
7	Housing top diameter	153.5 mm
8	Flange diameter	164.9 mm
9	Cover diameter	202.9 mm
10	Cable diameter	7.9 mm (max.)
11	Housing bottom width	125.3 mm

Pos.	Description	Values
12	Diameter of mounting bolt holes (2x)	Ø 10.8 mm
13	Diameter of pilot holes (2x)	Ø 12 mm
14	Mounting hole centre line	184 mm

Accessories

- 8" shallow base
- Shallow base installation jig for 8" and 12"

Packing Data

Variant	Dimensions (L x W x H) in mm	Gross weight in kg	Net weight in kg
8" CEDD® Inset Fixture	285 x 285 x 200	4.2	3.7
8" Shallow Base	215 x 215 x 130	2.7	2.5

Ordering code CEDD® HELI

Company profile:

TKH Airport Solutions is an innovator in airfield ground lighting, offering a complete range of LED AGL products. We build upon the know-how from a long and successful tradition of pioneering developments in the AGL and connectivity industry. Being part of the TKH Group, our company can build on a history of more than 90 years in smart connectivity, energy distribution and AGL.
